

# You're Running Wild

[Rhonda Vincent](#)

You're running wild  
How long can this go on  
You're leaving me alone  
And running wild You're always gone  
My love you never share  
It's more than I can bear  
You're running wild Bridge:  
You'll settle down someday  
And find I've gone away  
You'll think of what you've done  
While running wild I can't go on  
You'll have to choose the way  
You'll have to go or stay  
Stop running wild  
You're running wild
