Doin' suckers man, he will not see 'em, make a sucker strip  
I be posted by that stop sign, with a cookie zip  
Slide through, I'm beating down your whip, with the 30 stick  
My brody call my phone, and I'm there, like he had a wish  
We havin' it, we spend it when we want, 'cause we stacking it  
I'm a sav' with it, I'm jumping through your window if that bag in it  
If I ain't outside, then I'm in the kitchen baggin' it  
I'm addicted to this paper, I swear to god, I'm so bad with it  
I'm fighting with these demons like I don't know right from wrong  
My block hours up, I'm outside, ain't going home  
I'm rocking with that plastic, that stainless hurt with that chrome  
And I keep that bitch on me, ain't gotta call a nigga phone
