

Happy In Love

Dear and the Headlights

Old lies the half right
That I'm happy in love
Long list in black pen
Happy in love Loose grip and tight lipped
I'm thinning your blood
Begging not sleeping
Happy in love Coming over and apart
Lonely I look at you
You're shaking and so confused
I'm lost now somewhere
Here in my mind
Perfect but no feeling left
Happy in love
A slow drift
You don't notice it
Happy in love
Coming over and apart
Lonely I look at you
My dead logic overview
I'm buried out back
There in my mind
