Oooohh...

Ooooooooooh...

Oooohh...

Ooooooooooh...Pretty face. Perfect frame. You got it go-ing on.

?Model walk with that, baby talk, you know, girl you got me gone.

?You so hard ta hold on to, and I'm really really hanging on. ??My friends tell me I'm too far gone, and I really should be moving along,

?but all I can do, lately, is think about you, baby.

?All I can do, lately, is think about you, baby, yeah. Oooohh...

Ooooooooooh...

Oooohh...

Ooooooooooh...

??Had this pretty little thing back home

?I can't seem to do nothing - no wrong.

?This really don't make no sense,

?after everything - my money spent

?she was so hard to hold on to, and I was really really hanging on. ??My friends said I was too far gone and I should have been moving along

?Cause all I can do, lately, is think about you, baby.

?All I can do, lately, is think about you, baby.?All I can do, lately, is think about you, baby. ?

All I can do, lately, is think about you, baby.Oooohh...

Ooooooooooh...

Oooohh...yeah...

Ooooooooooh...??This time, she's leaving for sure. I know she won't be back no more.

?She left the key to my door - I'll be alone. ??All I can do, lately, is think about you, baby, yeah.

??All I can do, lately, is think about you, baby, yeah.??All I can do, lately, is think about you, baby, yeah.??All I can do, lately, is think about yooooou, baby.
