## Brand New

K, it's your ride  
Get your petals out and lay them in the aisle  
Pretend  
Your garden grow, and it's your day to wed We found your man  
He's drinking up, he's all-American  
And he'll drive  
He's volunteered with grace to end your life We'll tidy up  
It's sad to hold, but leave your shell to us  
You explode  
You firefly, you tiny boat, with oars Feather oars  
The world tilts back and pours and pours and so  
You satellite  
You tidal wave, you're a big surprise  
And I've one more night  
To be your mother The signal interrupts  
Baby's frequency not strong enough, remain  
In my hands, and smile, we will miss you  
But in time you'll get settled, and we will write Hey, beauty supreme  
Yeah, you were right about me  
But can I get myself out from underneath  
This guilt that will crush me? And in the choir  
I saw our sad messiah  
He was bored and tired of my laments  
Said, "I died for you one time, but never again" Never again, never again, never again  
Never again, never again, never again, never again  
Well, I love you so much (Never again)  
But do me a favor, baby, don't reply (Never again)  
No, 'cause I can dish it out (Never again)  
But I can't take it (Never again) Well, I love you so much (Never again)  
But do me a favor, baby, don't reply (Never again)  
'Cause I can dish it out (Never again)  
But I can't take it (Never again) One will love you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Two will love you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Three will love you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Four will love you so much

But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Five will love you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Six will love you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it Seven loves you so much  
But do me a favor, baby, don't reply  
'Cause I can dish it out  
But I can't take it (I'll never have to buy adjacent plots of earth)  
Seven loves you so much  
(We'll never have to rot together underneath the dirt)  
But do me a favor, baby, don't reply  
(I'll never have to lose my baby in the crowd)  
'Cause I can dish it out  
(I should be laughing right now)  
But I can't take it (I'll never have to buy adjacent plots of earth)  
Seven loves you so much  
(We'll never have to rot together underneath the dirt)  
But do me a favor, baby, don't reply  
(I'll never have to lose my baby in the crowd)  
'Cause I can dish it out  
(I should be laughing right now)  
But I can't take it (I'll never have to buy adjacent plots of earth)  
Seven loves you so much  
(We'll never have to rot together underneath the dirt)  
But do me a favor, baby, don't reply  
(I'll never have to lose my baby in the crowd)  
'Cause I can dish it out  
(I should be laughing right now...)  
But I can't take it
