Crawling Back to You

Backstreet Boys

Everybody knows that I was such a fool To ever let go of you but baby I was wrong

And yeah, I know I said, we'd be better off alone

It was time that we moved on, I know, I broke your heart

I didn't mean to break your heart but baby, here I amBanging on your front door

My pride's spilled on the floor

My hands and knees are bruised

And I'm crawling back to youBegging for a second chance

Are you gonna let me in?

I was running from the truth

And now I'm crawling back to you

I know you're in there and you can make me wait

But I'm not gonna wait, it's the least that I can do

Just to tell you face to face, I was lying to myself

Now I'm dying in this hell, girl, I know you're mad

I can't blame you for being mad but baby, here I amBanging on your front door

My pride's spilled on the floor

My hands and knees are bruised

And now I'm crawling back to youBegging for a second chance

Are you gonna let me in?

I was running from the truth

And now I'm crawling back to youIf you could see these tears I'm crying

Touch these hands that can't stop shaking

Hear my heart that's barely beating

You would see a different man but baby, here I am

Banging on your front door

My pride's spilled on the floor

My hands and knees are bruised

And I'm crawling back to youBegging for a second chance

Are you gonna let me in?

I was running from the truth

Now I'm crawling back to youBanging on your front door

My pride's spilled on the floor

I was running from the truth

Now I'm crawling back to youYeah, now I'm crawling back to you

Crawling back to you

Crawling back to you

Crawling back to you
