

Freak the Freak Out (feat. Victoria Justice)

Victorious Cast

Are you listenin'?
Hear me talk, hear me sing
Open up the door
Easy less, easy more
When tell me to beware
Are you here, are you there?
Is there something I should know?
Easy come, easy go
Noddin your head Don't hear a word I say.
I can't communicate. when you wait.
Don't relate.
I try to talk to you
But you never even knew
So.what's it gonna be? Tell me.
Can you hear me? (hear me? can you hear?)
I'm so sick of it.
Your attention deficit.
Never listen
never listen
I'm so sick of it
so i'll throw another fit
Never listen
never listen
I scream your name!
It always stays the same.
I scream and shout!
So what I'm gonna do
Now is freak the freak out.
Hey!
Whoa-whoa-whoa-whoa.
patience running thin running thin
come again
tell me what i get
opposite opposite
show me what is real
if it breaks
does it heal
open up your ear
why u think that i'm here
keep me in the dark
r u even thinking of me
is there someone else above me

gotta know gotta know
what am i gonna do
cause i cant get through to you
so whats it gonna be
tell me can u hear meim so sick of it
ur attention deficit
never listen never listen
im so sick of it
so ill thow another fit
never listen never listeni scream ur name
it always stays the same
i scream and shout
so what im gonna do now is freak the freak out
