

# Pull Up (feat. Iamsu! & Baeza)

## Rayven Justice

(-Rayven Justice):

We ain't got much time (no)  
My girl gone be here in a minute (in a minute)  
And I know what we gone what we gone do  
Even if my bitch pull up (pull up)  
I won't pull out  
(I won't pull out)  
Even if my bitch pull up (pull up)  
I won't pull out  
(I won't pull out)

(Rayven Justice):

Even if my bitch pull up  
I know it sound ridiculous  
(I know it sound ridiculous)  
It's feeling so good but it's 'bout to get serious  
( 'bout to get serious)  
I think I'm losing my mind (my mind)  
I'm so caught up in your vibe (your vibe)  
While I hit it from behind My bitch 'bout to be tripping We ain't got much time (no)  
My girl gone be here in a minute (in a minute)  
And I know what we gone what we gone do  
Even if my bitch pull up (pull up)  
I won't pull out  
(I won't pull out)  
Even if my bitch pull up (pull up)  
I won't pull out  
(I won't pull out)(IamSu!):

What you know about?

My pics or holding hands when we going out  
I got bands I'mma throw 'em out  
You see my hair getting long I'mma grow 'em out  
Let me switch it up  
I can never ever let the rumours get to us  
And them bitches their conversations can't get to us  
Cause it get back to my girl hope her feelings get crushed  
Gotta put they phone down when their dealing with us  
Gotta leave them coons alone theres a million of them But I can't blame ya'll if I wasnt me I  
would copy  
She anxious to get it popping  
But Franklin is in my wallet, come on We ain't got much time (no)  
My girl gone be here in a minute (in a minute)  
And I know what we gone what we gone do

Even if my bitch pull up (pull up)  
I won't pull out(I won't pull out)  
Even if my bitch pull up (pull up)  
I won't pull out  
(I won't pull out)(Baeza):
