

Last Time (feat. Travis Scott)

Gucci Mane

Zaytoven

Haah, Wop, Trav, hah

Just took half of it, wooh

Just took half of

Wizzop, haah I love when my bitch get drunk cause she talk greasy to me

Nigga with an attitude, this shit gettin' easy to me

The last time I drunk some lean I was out of my mind

Trappin' gave me 20 years and that's a whole lotta time

A married woman divorce her husband to spend the weekend with me

He think it nasty when she squirt but that shit sexy to me

The last time I took some molly, took a gram and a half

Niggas think they know 'bout Gucci but they don't know the half

See I'm an ex-X popper and online shopper

Niggas thought I was a clone, they heard me speak proper

Convicted felon worth 10 million, I'm a well known robber

Like Shawty Lo I got 10 children, yeah, Lo my partner

Wop

Last time I took drugs I just took half of it (hah)

Cause last time I took pills I had to smash a bitch (geek)

And last time I smoked gas I almost crashed a whip (skrt)

Last time I took drugs I just took half of it (half)

Last time I took drugs I just took half of it (hah wow)

Last time I took drugs I just took half of it Last time we took drugs you just took half of it (it's lit)

Stretchin' out my jeans just to make cash fit in (yeah)

Wake up every morning to some ass and grits

Raw dog all my birds, I'm tryna have some chicks

Fi-fie-fie-fo (yeah) Zone 6 to the Mo

La Flame linked with La Flare, yeah, that's heat and snow

Goin' in all year, 300 plus days long (straight up)

Makin' money all year, talking 52 weeks strong

Better back up, give me space (yeah)

I want ice cream on your face

Goin' Pharrell Williams on the case (oh my God)

Ohhhh, then we skate-skate-skate away

720 with the grind, landed, landed all fine

Last time I took drugs I just took half of it

Cause last time I took pills I had to smash a bitch

And last time I smoked gas I almost crashed a whip

Last time I took drugs I just took half of it

Last time I took drugs I just took half of it (hah)

Last time I took drugs I just took half of it (hah) The last time I went to Onyx man I ordered a

dub

Tried to leave with every big booty bitch in the club
I bought a Rolex and a Lambi' when I went to Miami (vroom)
The last time I seen little mama she wasn't wearin' no panties

Last time I went to Vegas, spent 200k gamblin'

I'm just an east Atlanta nigga servin' junkies in Chamblee

The last time I tricked out I brought 4 hoes to my place

They call me Gucci Mane Picasso cause I painted they face

Guwop Last time I took drugs I just took half of it (hah)

Cause last time I took pills I had to smash a bitch (geek)

And last time I smoked gas I almost crashed a whip (skrt)

Last time I took drugs I just took half of it (half)

Last time I took drugs I just took half of it (hah wow)

Last time I took drugs I just took half of it Burr, Trav, blaow, it's Gucci

(Straight up)

Hah, burrr, wow, bling, burrr

(Yeah, oh my God!)
