

King of Sorrow

Sade

I'm crying everyones tears
And there inside our private
war I died the night before
And all of these remnants
of joy and disaster
What am I supposed to do
I want to cook you a soup that
warms your soul
But nothing would change
nothing would change at all
Its just a day that brings
it all about
Just another day
And nothings any good
The DJ's playing the
same song
I have so much to do
I have to carry on
I wonder if this grief will
ever let me go
I feel like
I am the king
of sorrowThe king of sorrowI suppose I could just walk away
Will I dissappoint my future
if I stay
Its just a day that brings
it all aboutJust another day
And nothings any good
The DJ's playing the
same song
I have so much to do
I have to carry on
I wonder will this grief
ever be gone
Will it ever goIm the king
of sorrow
The king of sorrowIm crying everyones tears
I have already paid for all
my future sins
Theres nothing anyone
can say to take this away
Its just another day

And nothings any good
Im the king
of sorrow
King of sorrow
