

# King of Sorrow

Sade

I'm crying everyones tears  
And there inside our private  
war I died the night before  
And all of these remnants  
of joy and disaster  
What am I supposed to do  
I want to cook you a soup that  
warms your soul  
But nothing would change  
nothing would change at all  
Its just a day that brings  
it all about  
Just another day  
And nothings any good  
The DJ's playing the  
same song  
I have so much to do  
I have to carry on  
I wonder if this grief will  
ever let me go  
I feel like  
I am the king  
of sorrowThe king of sorrowI suppose I could just walk away  
Will I dissappoint my future  
if I stay  
Its just a day that brings  
it all aboutJust another day  
And nothings any good  
The DJ's playing the  
same song  
I have so much to do  
I have to carry on  
I wonder will this grief  
ever be gone  
Will it ever goIm the king  
of sorrow  
The king of sorrowIm crying everyones tears  
I have already paid for all  
my future sins  
Theres nothing anyone  
can say to take this away  
Its just another day

And nothings any good  
Im the king  
of sorrow  
King of sorrow
