

# Cautious

Tyler Shaw

[Verse 1]

I heard about you  
I've heard it all  
So many stories  
You know from so and so  
I should know better  
But you know how it goes  
Like I'm off to a flame  
I'm off to a flame[Pre-Chorus 1]

Look like an angel  
In devil's clothes  
A perfect picture  
Hanging on burning walls  
They say your kiss is deadly  
But I still wanna know  
Pull me into the flame

[Chorus]

We're burnin' up

Ooh, oh

I'll be cautious

Ooh, oh

We're burnin' up

Ooh, oh

I'll be cautious

Ooh, oh

We're burnin' up[Verse 2]

See you're a gamble

I roll the dice

If I don't get you first

I'll flip the quarter twice

I'm standing in the dark

Waiting for your light

Like I'm off to a flame

I'm off to a flame

[Pre-Chorus 2]

The closer I get to you

The deeper I fall

And I'm treading slowly

But I'm still lost in you[Chorus]

We're burnin' up

Ooh, oh

I'll be cautious

Ooh, oh  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
(We're burnin' up, we're burnin' up)  
We're burnin' up  
Ooh, oh  
I'll be cautious  
(Ohh, we're burnin' up, we're burnin' up)  
Ooh, oh  
We're burnin' up[Bridge]  
Hmm, I should know better  
Hmm, I should know better  
Hmm, I should know better, hmm  
(Oooh, hey, yeah yeah)[Chorus]  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
We're burnin' up  
Ooh, oh  
I'll be cautious  
Ooh, oh  
(Oooh, yeah)  
We're burnin' up[Outro]  
We're burnin' up, baby  
We're burnin' up  
Hmm, I should know better  
(We're burnin' up, baby, yeah)  
Hmm, I should know better
