

# Behemoth

## Static-X

Abandon me, a horror scene  
A time storm, a pile up  
Exterminate it, calculate it  
Ricochet, smart bullet Get louder, get higher  
Get true to form behemoth  
Verify, storm of the eye  
To detonate the fusion Get it, get it, get it  
Bastards deformed  
They're walking dead Wrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, choking Get louder, get higher  
Get true to form behemoth  
Intensity, it's hard to see  
Diffusing the tune up Get it, get it, get it Wrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, choking  
Get louder, get higher  
Get true to form, behemoth  
Intensity, it's hard to see  
Diffusing the tune up Get it, get it, get it
