

# Only One

## Cherish

Ringtone Only One Ringtone by CHERISHOhhhh...

Yeah...

Woah...

Woah... You and me together makes the perfect combination.

(Like a body to a soul)

(Like a actress to a role)

I know you have trust issues.

But I'm here to let you know...

(I'm your Catherine)

(You're my Joe that I have)

You make me whole.

I know you go through my phone, phone.

Checking all of my messages.(Oh yeah)

Thinking I do you wrong, wrong.

Tryna see who I'm messing with.

Baby, I'll ride for you.

Baby, I'll die for you.

You are the only one.

The only one that I'm loving. The only one that I'm loving is you, is you. (The only one I'm loving)

And the only one I let touch me is you. (Is you baby)

You're the only one that sees me in my Vickie Secrets.

(Victoria's Secret)

The one I share my sheets with.

Baby, the only one that I want is you.

The only one that I'm missing is you, is you. (Is you boy)

And the only one that I'm kissing is you. (Oh yeah, oh yeah)

You're the only one that sees me look rough in the morning.

Get that early loving. (Loving yeah)

Baby, the only one I'm loving is you.

See, me without you would be like some music with no song.

Us together is not a choice.

It's like me without a voice.

And baby when I tell you that there's nothing going on I'm a need you to trust me.

And stop tryna prove me wrong, oh yeah. I know you go through my phone, phone.

Checking all of my messages. (Do you think that I'm lying?)

Thinking I do you wrong, wrong. (Oh, why)

Tryna see who I'm messing with.

I'll ride for you.

Baby, I'll die for you.

You are the only one.

The only one that I'm loving. The only one that I'm loving is you, is you. (You are the one I love)  
And the only one I let touch me is you. (I let touch me)  
You're the only one that sees me in my Vickie Secrets. (In  
my Vickie Secrets)  
The one I share my sheets with.  
Baby, the only one that I want is you. (I don't want nobody else but you)  
The only one that I'm missing is you, is you. (Oh, that I'm missing)  
And the only one that I'm kissing is you. (Is you, is you)  
You're the only one that sees me look rough in the morning. (The morning)  
Get that early loving. (Get that early loving)  
Baby, the only one I'm loving is you. (Loving is you) Gave you all my love.  
And I swear it's only you.  
You're the only one for me.  
Just open up and see.  
You gave your heart.  
I won't break it.  
My love for you ain't changing.  
Baby, please hear what I'm saying.  
Here's all of me.  
So take it. The only one that I'm loving is you, is you.  
And the only one I let touch me is you.  
You're the only one that sees me in my Vickie Secrets.  
The one I share my sheets with.  
Baby, the only one that I want is you.  
The only one that I'm missing is you, is you.  
And the only one that I'm kissing is you.  
You're the only one that sees me look rough in the morning.  
Get that early loving.  
Baby, the only one I'm loving is you.
