

# You Had Me at Hello

## A Day to Remember

I'm missing you so much, I'll say you die tonight  
Just so I can get to you before the sun will rise  
I know these times are hard and I feel this too  
None of that ever seems to matter when I'm holding you  
And I'm wasting away, away from you  
And I'm wasting away, away from you  
What have I gotten into this time around  
I know that I had sworn I'd never trust anyone again  
but I didn't have to  
You had me at hello.  
I've never seen a smile that can light the room like yours  
It's simply radiant, I feel more with everyday that goes by  
I watch the clock to make my timing  
just right  
Would it be okay?  
Would it be okay if I took your breath away?  
And I'm wasting away, away from you.  
And I'm wasting away, away from you.  
What have I gotten into this time around  
I know that I had sworn I'd never trust anyone again  
but I didn't have to  
You had me at hello  
You gave me butterflies at the mailbox,  
You gave me butterflies at the mailbox,  
You gave me butterflies at the mailbox,  
you had me at hello.  
You gave me butterflies at the mailbox, you had me at hello.  
You gave me butterflies at the mailbox, you had me at hello.  
You gave me butterflies at the mailbox, you had me at hello.  
You gave me butterflies at the mailbox, you had me at hello.  
You gave me butterflies, you had me at hello.  
What have I gotten into this time around  
I know that I had sworn I'd never trust anyone again  
but I didn't have to  
You had me at hello  
You had me at hello  
You had me at hello
