Try Me

James Brown

```
Try me
                (Try me)
                Try me
                (Try me)
             Darlin' tell me
            I need youTry me
                (Try me)
                Try me
                (Try me)
    And your love will always be true
             Oh, I need you
          (I need you)Hold me
               (Hold me)
                Hold me
               (Hold me)
 I want you right here by my sideHold me
               (Hold me)
                Hold me
               (Hold me)
And your love we won't hideOh, I need you
       (I need you)Oh, I need you
              (I need you)
          Oh, oh walk with me
             (Walk with me)
              Talk with me
             (Talk with me)
 I want you to stop my heart from crying
             Walk with me
             (Walk with me)
              Talk with me
             (Talk with me)
 And your love stop my heart from dying
             Oh, I need you
              (I need you)
