

Whirlpool

They Might Be Giants

There was a swirling mass of water that lived in a quiet pond
It asked permission from its master to visit the lands beyond
 And its master allowed it to fly
 So the wind swept the whirlpool across the sky
Whirlpool
Whirlpool
There was a swirling mass of water that lived in a quiet pond
It asked permission from its master to visit the lands beyond
 And its master allowed it to fly
 So the wind swept the whirlpool across the sky
 And it had the idea to fly
 So the wind swept the whirlpool across the sky
 Whirlpool
 Whirlpool
 Whirlpool
