Implicit Demand for Proof

twenty one pilots

I know you're not a liar
And I know you could set fire
This day
Go ahead and make me look away
Strike me down
I am calling your lightning
Down from your dark hiding place
Go ahead and show me

Your face Reign down

And destroy me

Reign down

And destroy me

Reign downI mean no disrespect
I am simply very perplexed by your ways
Why won't you let us use your name?Reign down

And destroy me

Reign down

And destroy me

Reign down

And destroy me

Reign down

And destroy me
