

# Love You Like That

Canaan Smith

Hey girl, I'm just a small town run around  
I get my kicks out on the outskirts of town  
I could never do it like a pretty city boy  
I'm more a fishin' in the dark nitty gritty boy  
So lay back and let me paint you a picture  
The way I wanna kiss you is Slow as the Mississippi  
Strong as a fifth of whiskey  
Steady as a Tom Petty track  
I wanna love, wanna love you like that  
Deeper than a sunset sky  
Sweeter than muscadine wine  
All night 'til the sun comes back  
I wanna love, wanna love, wanna love you like that  
When I'm with you I can see down the road girl  
Not just the gravel one we're travelin' on girl  
And I'm bettin' that it's gonna be a wild ride  
But I promise that I'm gonna be there by your side  
I think we got another memory in the makin'  
So baby let's take it, take it Slow as the Mississippi  
Strong as a fifth of whiskey  
Steady as a Tom Petty track  
I wanna love, wanna love you like that  
Deeper than a sunset sky  
Sweeter than muscadine wine  
All night 'til the sun comes back  
I wanna love, wanna love, wanna love you like that I ain't gonna do it like a pretty city boy  
I'm a fishin' in the dark nitty gritty boy  
So let me love you  
Slow as the Mississippi  
Strong as a fifth of whiskey  
Steady as a Tom Petty track  
I wanna love, wanna love you like that  
Deeper than a sunset sky  
Sweeter than muscadine wine  
All night 'til the sun comes back  
I wanna love, wanna love, wanna love you like that Baby, I wanna love, wanna love, wanna  
love you like that
