

# Good

## Better Than Ezra

Looking around the house  
Hidden behind the window and the door  
Searching for signs of life but there's nobody home Well, maybe I'm just too sure  
Or maybe I'm just too frightened by the sound of it  
Pieces of note fall down, but the letter said 'aha' It was good, living with you, aha  
It was good, ah-wa-aha  
It was good, living with you, aha  
It was good, aw, good good good good good  
Sitting around the house  
Watching the sun trace shadows on the floor  
Searching for signs of life, but there's nobody home Now maybe I'll call, or write you a letter  
Now maybe we'll see on the Fourth of July  
But I'm not too sure, and I'm not too proud  
Well I'm not too sure, and I'm not too proud to say 'aha' It was good, living with you, aha  
It was good, ah-wa-aha  
It was good, living with you, aha  
It was good, aw  
So good  
A-aha  
It was good, living with you, aha  
It was good, ah-wa-aha  
It was good, living with you, aha  
It was good, ah-ah-ah-ah-wa Yeah, you were so good.  
Yeah, you were so good.  
Yeah, that's right...
