

# Don't Wait (feat. Chance the Rapper)

## Mapei

Old friend indeed  
Come build me up  
Come shed your light  
It makes me shine You get the message  
Don't you ever forget it  
Let's laugh and cry  
Until we die If it wasn't for you  
I'd be alone  
If it wasn't for you  
I'd be on my own Don't wait till I do wrong  
Don't wait till I put up a fight  
You've won my heart without a question  
Don't wait for lie  
I care for you  
I talk to you in my deepest dreams, unfortunate  
We got a friendship  
No one can contest it And not to mention  
I respect you with my all If it wasn't for you  
I'd be alone  
If it wasn't for you  
I'd have to hold my own Don't wait till I do wrong  
Don't wait till I put up a fight  
You've won my heart without a question  
Don't wait for lie Not a thing in the world could get between what we share  
No matter where you at  
No worry, I'll be there  
No one's got your back like I do  
Even when business ain't going well, we still cool  
When I shine, you shine  
No weights on your side  
All my life, you'll have what's mine Mark my word, we gonna be alright  
My brother, my sister  
We gonna be just fine Hey, if it wasn't for you  
I'd be alone  
Hey, if it wasn't for you  
I'd be on my own Don't wait till I do wrong  
Don't wait till I put up a fight  
You've won my heart without a question  
Don't wait for lie Don't wait till I do wrong  
Don't wait till I put up a fight  
You've won my heart without a question
