

God Help Me

Plumb

[Verse 1]

There is a wrestling in my heart and my mind
A disturbance and a tension I cannot seem to drive
And if I'm honest, there's quite a bit of fear
To sit here in this silence and really hear You[Pre-Chorus 1]
What will You ask of me?
Will I listen to Your voice when You speak?[Chorus]
Help me to move, help me to see
Help me to do whatever You would ask of me
Help me to go, God help me to stay
I'm feeling so alone here
And I know that You're faithful
But I can barely breathe
God help me

[Verse 2]

Sometimes things, they are black and white
Sometimes they are not and that leaves us torn inside
And in the middle, we are left to wonder
Who we are, what You want and where we're going[Pre-Chorus 2]
Oh such a mystery
I don't always understand
But I believe![Chorus]
Help me to move, help me to see
Help me to do whatever You would ask of me
Help me to go, God help me to stay
I'm feeling so alone here
And I know that You're faithful
But I can barely breathe
God help me

[Bridge]

I don't know the future, it's one day at a time
But I know I'll be okay with Your hand holding mine
So take all my resistance
Oh God I need Your grace
One step and then the other
Show me the way
Show me the way![Chorus]
Help me to move, help me to see
Help me to do whatever You would ask of me
Help me to go, God help me to stay
I'm feeling so alone here
And I know that You're faithful

But I can barely breathe
But I can barely breathe
But I can barely breathe
God help me
