Freddie Gibbs

Yuh
We gon' twerk these motherfuckin' numbers
Oh yeah
Just 'gon spit on this shit
Whippin' that Richard Pryor
I don't got shit to prove
You know what I'm sayin?
Old head niggas ratted
Rat ass niggas
I was in the kitchen choppin' blade (woah kitty)
You know what I'm sayin', nigga?
Yeah, whippin' that Richard Pryor
Chicken comin' in soft get it hard fried
I just came through porsche'd out with the frog eyes
Got that Afghani dope with the mob ties
Pop the Glock at yo top, throw the Glock away
Beat the cake just like Ikey beat Anna Mae
I don't got shit for a pussy ass nigga, but white shit and yellow tape
I don't got shit for a pussy ass nigga, but knuckles and hollow tips I just put my monkey nuts on
my chop stick
Might just knock of an arm that chopper hits
From my cuz in the pack and he just lost a brick
Cut that nigga off like he a naggin' bitch
Got my house and whip and your bitch
And this drip on my neck and my wrist off that powder shit
Benz fully automatic
Chopper fully automatic
She gon' suck me off, it's automatic
You can wife the ho 'cause I done had it (we had it)
And I ain't never had a OG
Most them old heads niggas ratted
Carolina Park Kane train, I'm the Big Lord Bunny Rabbit Benz fully automatic (skrrt)
Chopper fully automatic
She gon' suck me off, it's automatic
You can wife the ho 'cause I done had it (we had it)
And I ain't never had a OG
Most them old heads niggas ratted
All the young niggas know me

I can shoot a nigga in the face and make the bond
Knock him out his Louboutins
Over 500 degrees when I cook a nigga
Fuck polices I gon on the run 'fore I just let 'em book a nigga
