Lord, have mercy, momma done raised a real thug
Me and my daddy cool but he showed me tough love
Fifteen, I was asked out gettin' grown
By this time my old man had just moved onMomma couldn't drive so she didn't have a car
And I could still see my T lady walkin' far
Sweat on her face, purse and a grocery bag
Me and my sister shit that's all we ever hadStuck my chest out became the man of the house
Now I'm the bread winner, go get it at any cost
Flippin' burgers, washing cars and cutting yards
I graduated to cooking soft and selling hardHighschool is over with I'm on a path
To mo hoes mo dough and a new slab
I'ma B.G hard headed so fly
But I'ma gangsta and like this till I die
