

# Take Me Down

## Alabama

Fly away with me tonight  
Take me on a one-way flight in your lovin' arms  
And ev'rything's gonna be alright  
You're the one who took my hand  
When no one else could understand  
You're the one who moves me  
Like nobody else can. Take me down where I wanna be  
Turn around, this man who lives inside of me  
Take me down and love me all night long  
Hold me close and make me strong  
Take me down, take me down tonight.  
In your eyes I see a light  
It's your emotions glowin' bright  
So keep the fires burnin'  
And let it warm me through the night.  
You can be a part of me  
'Cause you're what love was meant to be  
You and me, baby  
We'll set this flame inside free. Take me down where I wanna be  
Turn around, this man who lives inside of me  
Take me down and love me all night long  
Hold me close and make me strong  
Take me down, take me down tonight.  
You don't have to stay forever  
Let's just put our hearts together  
Share another night in ecstasy  
We know that it's feelin' better  
Ev'ry time we get together  
Maybe love was meant for you and me  
Whoa. Take me down where I wanna be  
Turn around, this man who lives inside of me  
Take me down and love me all night long  
Hold me close and make me strong  
Take me down, take me down tonight. Take me down tonight  
Ooh oh, take me down tonight  
Ooh oh, are you gonna take me, (take me)  
Shake me, (shake me)  
Take me down tonight.  
um hum  
Take me, take me...
