

Cold Cold Heart

Norah Jones

I tried so hard my dear to show
That you're my every dream
Yet you're afraid each thing I do
Is just some evil scheme
A memory from your lonesome past
Keeps us so far apart
Why can't I free your doubtful mind
and melt your cold cold heart
Another love before my time made your heart sad and blue
And so my heart is paying now
For things I didnt do
In anger unkind words are said
That make the teardrops start
Why can't I free your doubtful mind
and melt your cold cold heart
There was a time when I believed that you belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart
Why can't I free your doubtful mind
and melt your cold cold heart
