Never Shout Never

If timing's everything stop telling me you're taking your time
I know you're anxious but you're running your mouth like you're five years old again
It's so hard to pretend
Like I know everything, I don't know anything
I wanted you to see that I got nothin'
I'll sit back and I'll watch the show
yeah I'll watch the show
And I'll lay awake and I'll watch the stars as they collide
and my eyes, they don't see
and I don't breathe the way I used to
yeah my lips they won't, they won't sing
and i wont be the way i was on that night Steady breathing is all I can advise to a girl with a
sweet tooth for revenge I know I'm crazy but it's so hard to pretend
Like I know everything, I don't know anything
I wanted you to see that I got nothin'
I'll sit back and I'll watch the show
yeah I'll watch the show
And I'll lay awake and I'll watch the stars as they collide
and my eyes, they don't see
And I don't breathe the way I used to
yeah my lips they wont, they won't sing
And I won't be the way I was on that night
It was the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar, I knew you were a liar from the start
It was the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar, I knew you were a liar from the start
Dont treat me like we're playing a game
cause baby i dont want to lose baby i dont want to risk it all
for you
and my eyes, they don't see
And I don't breathe the way I used to
Yeah my lips they wont, they won't sing
And I won't be the way I was on that night
