

# Castle

## Halsey

Sick of all these people talking, sick of all this noise  
Tired of all these cameras flashing, sick of being poised  
And now my neck is open wide,  
begging for a fist around it  
Already choking on my pride,  
so there's no use crying about it I'm headed straight for the castle  
They wanna make me their queen  
And there's an old man sitting on the throne  
That's saying that I probably shouldn't be so mean  
I'm headed straight for the castle  
They've got this kingdom locked up  
And there's an old man sitting on the throne  
That's saying I should probably keep my pretty mouth shut  
All of these minutes passing, sick of feeling used  
If you wanna break these walls down,  
you're gonna get bruised  
And now my neck is open wide,  
begging for a fist around it  
Already choking on my pride,  
so there's no use crying about it I'm headed straight for the castle  
They wanna make me their queen  
And there's an old man sitting on the throne  
That's saying that I probably shouldn't be so mean  
I'm headed straight for the castle  
They've got this kingdom locked up  
And there's an old man sitting on the throne  
That's saying I should probably keep my pretty mouth shut  
There's no use crying about it  
There's no use crying about it  
There's no use crying about it  
There's no use crying about it I'm headed straight for the castle  
They wanna make me their queen  
And there's an old man sitting on the throne  
That's saying that I probably shouldn't be so mean  
I'm headed straight for the castle  
They've got this kingdom locked up  
And there's an old man sitting on the throne  
That's saying I should probably keep my pretty mouth shut  
Straight for the castle  
They wanna make me their queen  
And there's an old man sitting on the throne  
That's saying that I probably shouldn't be so mean  
I'm headed straight for the castle

They've got this kingdom locked up  
And there's an old man sitting on the throne  
That's saying I should probably keep my pretty mouth shut  
Straight for the castle
