

Beep Beep (feat. Missy Elliott)

Timbaland & Magoo

Uh, say what?

Uh, say what?

Uh, say what?

1-2, 1-2

I be that man they call Timbaland
On these funky beats do you hear him?

Uh-huh, Uh-huh

Now

How many people want to, huh
learn this method I have with these beats?

Uh-huh, Uh-huh

Now

How many songs I'm gonna hear on the radio that sound like mine?

Now, to have a partna as well as my friend

Well I have two partnas as well as my friend

And on goes by the name of...

Maganoo aka Magoo word

You know what I'm saying? I'm putting this man down

Cause he got it like that, don't bite him

And of course Missy Elliott

We put it down like that for the 9-7

This is my dialogue on this album

It's Magoo's album featuring me, Timbaland

Cause he's so ill, I can't even rap over it

Magoo can rap over it, but I can let him rap over it

Cause I got my man Jimmie D

On that engineer board

And we do this like everyday, all day 24 hours

You know what I'm saying making this money

I aint got to rap, all i got to do is talk on this track

And you will still buy it, you know what I'm sayin'?

It's like that

So Missy tell em what I'm gonna say(Missy)

Beep, beep, beep, beep

Who got the keys to the jeep?

Vrooooooom (I got em baby)

Beep, beep, beep, beep (Beep, beep, beep, beep, beep, beep)

Beep, beep, beep, beep

Who got the keys to the jeep? (I got em baby)

Vrooom

Beep, beep, beep, beep(Beep, beep, beep)

(Timbaland)

Alright
Now it's time for me to go
I done told y'all bout the sad show
Music's so ill
It makes niggas want to kill
Big up to Larell High
That's my east school coast, word
I know you gonna play this in your Eddie Bauer, word
Uh-huh, word, Uh-huh
