

What Might Have Been

Little Texas

Sure I think about you now and then
But it's been a long, long time
Well I've got a good life now, I moved on
So when you cross my mind
I try not to think about what might have been
Cause that was then and
We have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been
We can sit and talk about this all night long
And wonder why we didn't last
Yes, they might be the best days we will ever know
But we'll have to leave them in the past So try not to think about what might have been
Cause that was then
And we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been Same old look in your eyes,
It's a beautiful night
I'm so tempted to stay
But too much time has gone by
We should just say goodbye
And turn and walk away
Try not to think about what might have been
Cause that was then and we have taken different roads
We can't go back again
There's no use giving in
And there's no way to know
What might have been No we'll never know
What might have been.
