

# Just the Two of Us (Spanish Version) [feat. DLG]

Will Smith

Just the two of us, yeah  
Just the two of us  
Just the two of us From the first time the doctor placed you in my arms  
I knew I'd meet death 'fore I'd let you meet harm  
Although questions arose in my mind, would I be man enough?  
Against wrong, choose right and be standin' up  
From the hospital that first night  
Took a hour just ta get the car seat in right  
People drivin' all fast, got me kinda upset  
Got you home safe, placed you in your basinet That night I don't think one wink I slept  
As I slipped out my bed, to your crib I crept  
Touched your head gently, felt my heart melt  
'Cause I know I loved you more than life itself  
Then to my knees, and I begged the Lord please  
Let me be a good daddy, all he needs  
Love, knowledge, discipline too  
I pledge my life to you, uh Just the two of us, we can make it if we try  
Just the two of us  
Just the two of us, building castles in the sky  
Just the two of us, you and I Five years old, bringing comedy  
Everytime I look at you I think man a little me just like me  
Wait an see gonna be tall makes me laugh 'cause  
You got your dads ears an all  
Sometimes I wonder, what you gonna be?  
A General, a Doctor, maybe a MC  
Haha, I wanna kiss you all the time  
But I will test that butt when you cut outta line  
Trudat uh uh uh why you do dat?  
I try to be a tough dad, but you be makin' me laugh  
Crazy joy, when I see the eyes of my baby boy  
I pledge to you, I will always do  
Everything I can show you how to be a man  
Dignity, integrity, honor an' I don't mind if you lose  
Long as you came with it an' you can cry, ain't no shame it it It didn't work out with me an your  
mom  
But yo, push come to shove you was conceived in love  
So if the world attacks, and you slide off track  
Remember one fact, I got your back Just the two of us, we can make it if we try  
Just the two of us  
Just the two of us, building castles in the sky

Just the two of us, you and I  
It's a full time job to be a good dad  
You got so much more stuff than I had  
I gotta study just to keep with the changin' times  
101 Dalmations on your CD-ROM  
See me, I'm tryin to pretend I know  
On my PC where that CD go  
But yo, ain't nuthin' promised, one day I'll be gone  
Feel the strife, but trust life does go wrong  
But just in case, it's my place to impart  
One day some girl's gonna break your heart  
And ooh ain't no pain like from the opposite sex  
Gonna hurt bad, but don't take it out on the next son  
Throughout life people will make you mad  
Disrespect you and treat you bad  
Let God deal with the things they do  
'Cause hate in your heart will consume you too  
Always tell the truth, say your prayers  
Hold doors, pull out chairs, easy on the swears  
You're living proof that dreams come true  
I love you and I'm here for you, uh  
Just the two of us, we can make it if we try  
Just the two of us  
Just the two of us, building castles in the sky  
Just the two of us, you and I  
Just the two of us  
Just the two of us, building castles in the sky  
Just the two of us, you and I  
Just the two of us, I'm always here for you  
Whatever you need just call on me  
Whatever you need I'll be there for anytime  
You and I  
Just the two of us  
Just the two of us, building castles in the sky  
You and I, just the two of us
