

# Unfinished

## Mandisa

Not scared to say it  
I used to be the one  
Preaching it to you  
That you could overcome  
I still believe it  
But it ain't easy 'Cause that world I painted  
Where things just all work out  
It started changing  
And I started having doubts  
And it got me so down But I picked myself back up  
And I started telling me  
No, my God's not done  
Making me a masterpiece  
He's still working on me  
He started something good  
And I'm gonna believe it  
He started something good  
And He's gonna complete it  
So I'll celebrate the truth  
His work in me ain't through  
I'm just unfinished  
I'm just unfinished  
So I'll celebrate the truth  
His work in me ain't through  
I'm just unfinished I know His history  
And the kind of God He is  
He might make it a mystery  
But He's proven I can trust in Him  
And yeah, I believe it  
So I can pick myself back up  
And keep on telling me  
No, my God's not done  
Making me a masterpiece  
No, my God's not done He started something good  
And I'm gonna believe it  
He started something good  
And He's gonna complete it  
So I'll celebrate the truth  
His work in me ain't through  
I'm just unfinished  
I'm just unfinished  
So I'll celebrate the truth

His work in me ain't through, noStill working

Still, still working on me

He's still working

Still, still working on me

OohHe started something good

And I'm gonna believe it

He started something good

And He's gonna complete it

So I'll celebrate the truth

His work in me ain't through

I'm just unfinished

I'm just unfinished

So I'll celebrate the truth

His work in me ain't through

I'm just unfinishedStill working

Still, still working on me

He's still working

Still, still working on me

Oh yeah I'm just unfinished
