

If I Ever Leave This World Alive

Flogging Molly

If I ever leave this world alive
I'll thank for all the things you did in my life
If I ever leave this world alive
I'll come back down and sit beside your feet tonight
Wherever I am, you'll always be
More than just a memory
If I ever leave this world alive
If I ever leave this world alive
I'll take on all the sadness that I left behind
If I ever leave this world alive
The madness that you feel will soon subside
So, in a word, don't shed a tear
I'll be here when it all gets weird
If I ever leave this world alive
So when in doubt, just call my name
Just before you go insane
If I ever leave this world, hey, I may never leave this world
But if I ever leave this world alive
She says I'm okay, I'm alright
Though you have gone from my life
You said that it would
Now everything should be all right
She says I'm okay, I'm alright
Though you have gone from my life
You said that it would
Now everything should be all right
