

# Blank

## Smashing Pumpkins

I wish I was blank  
I wish I was blank  
I wish I could thank  
I wish I was blank I write a letter to you  
And there'd be nothing to it  
I wouldn't hem and haw  
On just how to start it I wish I was blank  
I wish I was blank  
I wish I could thank  
I wish I was blank  
I wish I'd stand up straight  
I wish I'd said things different  
I wish I'd said nothing  
Things would be so perfect  
I wish myself to keep  
I pray myself to sleep  
I wish myself away  
I wish I was blank
