## Lorde

Wait 'til you're announced  
We've not yet lost all our graces  
The hounds will stay in chains  
Look upon Your Greatness and she'll send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Send the call out  
Call all the ladies out, they're in their finery  
A hundred jewels on throats  
A hundred jewels between teeth  
Now bring my boys in  
Their skin in craters like the moon  
The moon we love like a brother  
While he glows through the room  
Dancin' around the lies we tell  
Dancin' around big eyes as well, oh  
Even the comatose, they don't dance and tell  
We live in cities you'll never see onscreen  
Not very pretty, but we sure know how to run things  
Livin' in ruins of a palace within my dreams  
And you know, we're on each other's team  
I'm kinda over gettin' told to throw my hands up in  
the air  
So there  
So all the cups got broke  
Shards beneath our feet  
But it wasn't my fault  
And everyone's competing for a love they won't receive  
'Cause what this palace wants is release  
We live in cities you'll never see onscreen  
Not very pretty, but we sure know how to run things  
Livin' in ruins of a palace within my dreams  
And you know, we're on each other's team  
I'm kinda over gettin' told to throw my hands up in

the air  
So there  
I'm kinda older than I was when I reveled without a care  
So there We live in cities you'll never see onscreen  
Not very pretty, but we sure know how to run things  
Livin' in ruins of a palace within my dreams  
And you know, we're on each other's team We're on each other's team  
And you know, we're on each other's team  
We're on each other's team  
We're on each other's team  
And you know and you know and you know
