

Act Like That (feat. Mack Wilds)

Bridget Kelly

Act Like That"
(feat. Mack Wilds)I gotta' get in this bitch and get my groove on and shit
Hey!Too bad so sad
I thought that you could handle it
Caught feelings then run away
Now I know who I'm dealing with
You took a u-turn
Baby changed up, when did u turn
All up in my face you talk a good game
You should really do your research
And I know you only want me cause it's June
If it wasn't for these pumpum shorts you'd hate my attitude
You would say
Why you act like that
Why you gotta act like that
You could leave I know you comin' right back
Like you ain't really mean it
Top down we take the scene in
Mean it
I know you didn't mean it (mean it)
You could leave I know you comin' right back
You didn't really mean it
You ain't gotta worry 'bout love
Cause that ain't what we here for (what you say)
Summertime fine, do the thing one time
Say it's just a fling, boy are you sure
But you tried me
Now you're in too deep, if you wanna swim good
Baby you know where to find me, find me
But you play it too cool
It's a new day, time for new rules
I can do things you should peep game
I'm the shit let me teach youAnd I know you only want me cause it's June
If it wasn't for my see through shirt you'd trip and call me rude
You would say
Why you act like that
Why you gotta act like that
You could leave I know you comin' right back
Like you ain't really mean it
Top down we take the scene in
Mean it
I know you didn't mean it (mean it)

You could leave I know you comin' right back
Cause I know you didn't really mean it
Girl you badder than a mu'fucker (mu'fucker)
And I ain't worried 'bout a mu'fucker
Hangin' with a couple more shots of the Henny
You may never call Tyrone
Game, long dick style baby
Hittin motion, make you never make it
Lightskin so response time on lazy
I leave a message cause you finna get it
Like why you font girl actin' so damn rude
This attitude is hot as June
Make me wanna play in school
But you say Even though you mad it's gonna be alright
But you're coming home with me alright
Well you know it's gonna be alright, alright, yeah
Even though you say it's gonna be alright
You try play me like you know it's (alright)
Don't be mad when a nigga's (alright, alright, yeah)
And I know you only want me cause it's June
If it wasn't for my pumpum shorts you'd hate my attitude
You would say
Why you act like that (say what)
Why you gotta act like that (hey)
You could leave I know you comin' right back
Like you ain't really mean it
Top down we take the scene in
Mean it
I know you didn't mean it
You could leave I know you comin' right back
(yes I know, I know I know, I know, I know)
Cause I know you didn't really mean it
