

# Let the Music Play

## Shannon

We started dancing  
And love put us into a groove  
As soon as we started to move  
The music played  
While our bodies  
Displayed through the dance Then love picked us out for romance  
I thought it was clear  
The plan was we would share  
This feeling just between ourselves  
But when the music changed  
The plan was re-arranged  
He went to dance with someone else  
We started dancing  
And love put us into a groove  
But now he's with somebody new  
What does love want me to do Love said  
Let the music play  
He won't get away  
Just keep the groove  
And then he'll come back to you again  
(Let it play)  
Let the music play  
He won't get away  
This groove he can't ignore  
He won't leave you anymore  
No, no, no  
He tried pretending  
A dance is just a dance  
But I see  
He's dancing his way back to me Guess he's discovered  
We are truly lovers  
Magic from the very start  
'Cause love just kept me groovin'  
And he felt me movin'  
Even though we danced apart So we started dancing  
And love put us into the groove  
As soon as we started to move  
As soon as we started to move Love said  
Let the music play  
He won't get away  
Just keep the groove  
And then he'll come back to you again

(Let it play)  
Let the music play  
He won't get away  
This groove he can't ignore  
He won't leave you anymore  
No, no, no He tried pretending  
A dance is just a dance  
But I see  
He's dancing his way back to me  
He's dancing his way back to me Love said  
(Let the music play)  
Let the music play  
(He won't get away)  
Just keep the groove  
And then he'll come back to you again  
(Let it play)  
Let the music play  
He won't get away...
