## **Burning Bright**

## **Shinedown**

I feel like there is no need for conversation
Some questions are better left without a reason
And I would rather reveal myself than my situation
Now and then I consider, my hesitationThe more the light shines through me
I pretend to close my eyes

The more the dark consumes me I pretend I'm burning, burning brightI wonder if the things I did were just to be different

To spare myself of the constant shame of my existence

And I would surely redeem myself in my desperation

Here and now I'll express, my situationThe more the light shines through me

I pretend to close my eyes

The more the dark consumes me

I pretend I'm burning bright

The more the light shines through me

I pretend to close my eyes

The more the dark consumes me

I pretend I'm burning, burning brightThere's nothing ever wrong

But nothing's ever right

Such a cruel contradiction

I know I cross the lines

It's not easy to define

I'm born to indecision

There's always something new

Some path I'm supposed to choose

With no particular rhyme or reasonThe more the light shines through me

I pretend to close my eyes

The more the dark consumes me

I pretend I'm burning bright

The more the light shines through me

I pretend to close my eyes

The more the dark consumes me

I pretend I'm burningI feel like there is no need for conversation...
