

Paranoid

Ozzy Osbourne

Finished with my woman
'cause she couldn't help me with my mind
people think that I'm insane
because I am frowning all the time All day long I think of things
but nothing seems to satisfy
'Think I'll lose my mind
if I don't find something to pacify Can you help me occupy my brain?
Oh yeah I need someone to show me the things in life that I can't find
I can't see the things that make true happiness
I must be blind
Make a joke and I will sigh and you will laugh and I will cry
Happiness I cannot feel like love to me is so unreal
And so as you hear these words telling you now of my state
I tell you to enjoy life
I wish I could but it's too late
