

Someday Soon

Francesca Battistelli

I wanna be the one who knows everything about you
I wanna be the one who's always on your mind
I wanna be the one to get all of your affection and attention
You're the one that I've been waiting for for all this time
And I can't imagine anything, anything better than...

Someday,
falling in love with you,
holding your hand,
making our plans all come true.

Someday,
under a sky so blue,
I'll give you my heart,
our story will start
Someday soon.

I wanna be the one who does everything with you,
watching stars, washing cars, taking walks, going to the store.

I wanna be the one who gets to change her last name,

Someday,
to something that sounds something more like yours
And I can't imagine anything, anything better than...
Someday,
falling in love with you,
holding your hand,
making our plans all come true.

Someday,
under a sky so blue,
I'll give you my heart,
our story will start
Someday soon.

Yeah

I'll be telling you I love you,
on a picture perfect day,
and those words inside my head,
they'll sound like angels singing praise...

It's what I was meant to say. Oh...

Someday,
falling in love with you,
holding your hand,
making our plans...

Someday,
falling in love with you,
holding your hand,

making our plans all come true.
Someday,
under a sky so blue,
I'll give you my heart,
our story will start
Someday soon.
