

# You Were There

## Babyface

Time passes, the world changes  
But I'm still the same ole' kid  
And your jokes still bring me laughter  
As if you still were here  
And it hurts  
When I smile  
'Cause my heart still remembers  
When you were around 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love  
'Cause you were my friend  
You always told me  
And I am still here  
Because you were there  
So precious, small treasures  
A time when truth was innocent  
True friendship, was all we were after  
A place where kids could still be kids  
And it hurts  
But I'm glad  
'Cause at least I was blessed  
To have you as my friend 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love  
'Cause you were my friend  
You always told me  
And I am still here  
Because you were there  
You're my best friend  
And there are no accidents  
God has a plan for everyone  
And he brought you in my life  
To show me what a good friendship was 'Cause you were there  
When no one was  
Just when I thought nobody cared  
You showed me love  
'Cause you were my friend  
You always told me  
And I am still here  
Because you were there
