

Have Yourself a Merry Little Christmas

[Dan + Shay](#)

Have yourself a merry little christmas
Let your heart be light
From now on our trouble will be out of sight
Have yourself a merry little christmas
Make the yuletide gay
From now on our trouble will be miles away
Hear we are as olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more
Through the years we all will be together
If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little christmas now
