

Bag

NAV

She wanna know where I'm at
Wherever the cash at, wherever Cash at
Where the crack and the straps at
Fucked her Saturday, now she mad today
I'm going this way, told her Go that way
(I just want a bag today) I won't answer my phone today
Unless there's a bag on the way (Bag)
(I just want the money) (I just want a bag today)
I need a bag a day (Bag)
I smoke a bag a day (Bag)
(I just want a bag today)
I won't answer my phone today (Bag)
Unless there's a bag on the way (Bag)
(I just want the money) (I just want a bag today)
I need a bag a day (Bag)
I smoke a bag a day
I used to be sad, now I got a bag
Bought a designer shirt, don't got a tag
I sacrificed myself for my fans
We was cookin' dope in pots and pans
I love the way that .40 feel inside my hand
Shorty super bad, want me 'cause I'm the man
I love the way your ass feel outside your pants
No snacks, got party packs, just look inside my hand
I go OT, come back with a bag
I might OD, I took three, used to take a half
She wanna know where I'm at
Wherever the cash at, wherever Cash at
Where the crack and the straps at
Fucked her Saturday, now she mad today
I'm going this way, told her Go that way
(I just want a bag today)
I won't answer my phone today
Unless there's a bag on the way (Bag)
(I just want the money) (I just want a bag today)
I need a bag a day (Bag)
I smoke a bag a day (Bag)
