

Maybe (feat. JRemy & BobbyBass)

Jay Sean

Beep Beep *Oh Look* Now There Goes My Phone
And Once Again Im Just Hoping Its A Text From You(Bridge)
It Aint Right i read your Messages Twice thrice Four Times A Night Its True
Everyday I Patiently Wait
Feeling Like A Fool But I Do Anyway
Nothing Can Feel As Sweet And As Real
As Now That I Wouldve Waited One Day()
And Maybe Its True (may be its true) Im caught Up On You
Maybe Thers A Chance That Stuck On Me Too
So Maybe Im wrong Its AllIn My Head
Maybe We'll Await On Words We Both Hadnt Said(2)
I'm Always Connected Online
Hoping You've Checked My Profile

(3)

Just can't help wondering why you play it cool but I'm hopelessly falling for you(4)
Every night Im on the phone and I loving you and I know you that you like it girl, now dont
keep it inside what's in the night. No come say what your trying to hide.()

And Maybe Its True (may be its true) Im caught Up On You
Maybe Thers A Chance That You're Stuck On Me Too
So Maybe Im wrong Its All, In My Head

Maybe we're afraid of words we both haven't said(Bridge) x2
Like I really want you, I think I need you, Maybe I miss you, Im thinking of you)
And Maybe Its True Oh (may be its true) Im caught Up On You
(Maybe Yeh)Maybe Thers A Chance That You're Stuck On Me Too
So Maybe Im wrong (Maybe yeh)Its All, In My Head (oh no)
