

We Don't Care

Sigala & The Vamps

Too late give her the sign
I caught you right, we can't rewind
It's too late, you hit the switch
She can't resist, we play a game all night
Tryna keep my composure
Would be easy if i were sober
But she keep getting closer
And I'm feeling alright Oh I'm, I'ma kinda drunk
But its kinda fun, even if we know its wrong
But we don't, we don't care
We don't care, we don't, we don't care
Oh only for the night
Only for the ride, even if it don't feel right
But we don't, we don't care
We don't care, we don't, we don't care
(Even if it) We don't, we don't
(Even if it, we don't) We don't care
(Even if it) We don't, we don't
(Even if it, we don't) We don't Ok, another weekend
Were back to friends, It only end in one way
You make your move, I don't refuse
We play a game all night
Tryna keep my composure
Should be easy and now I'm sober
And you keep getting closer
But I'm feeling alright
Oh I'm, I'ma kinda drunk
But its kinda fun, even if we know its wrong
But we don't, we don't care
We don't care, we don't, we don't care Oh only for the night
Only for the ride, even if it don't feel right
But we don't, we don't care
We don't care, we don't, we don't care
(Even if it) We don't, we don't
(Even if it, we don't) We don't care
(Even if it) We don't, we don't
(Even if it, we don't) We don't care Maybe you think I'm selfish, cause I can't let you go
But baby i just can't help it, No no and no
Baby we both been selfish, cause we can't be alone
Baby we just can't help it, help it Oh I'm, I'ma kinda drunk
But its kinda fun, even if we know its wrong
But we don't, we don't care

We don't care, we don't, we don't care
Oh only for the night Only for the ride, even if it don't feel right
But we don't, we don't care
We don't care, we don't, we don't care
Yeah
(Even if it) We don't, we don't
(Even if it, we don't) We don't care
(Even if it) We don't, we don't
(Even if it, we don't) We don't care
