## **Gut Feeling**

## **Devo**

Something about the way you taste Makes me wanna clear my throat There's a message to your movements That really gets my goat I looked for sniffy linings But you're rotten to the core I've had just about all I can take You know I can't take it no moreI got a gut feeling I got a gut feeling I got a gut feeling I got a gut feeling, feelingCentered 'round long time ago On your ability to torment Then you took your tongs of love And stripped away my garment I looked for sniffy linings But you're rotten to the core I've had just about all I can take You know I can't take it no moreI got a gut feeling I got a gut feeling I got a gut feeling, feelingI got a gut feeling I got a gut feeling, feeling I got a gut feeling I got a gut feeling, feelingI got a gut feeling I got a gut feeling, feeling I got a gut feeling I got a gut feeling, feelingI got a gut feeling I got a gut, hoo ow Slap your mammy down Slap your pappy down again Slap your mammy down Slap your pappy down againSlap your mammy down Slap your pappy down again Slap your mammy down Slap your pappy down againSlap your mammy down Slap your pappy down again (Oh move it up and down now) Slap your mammy down Slap your pappy down again (Oh move it all around now)Slap your mammy down Slap your pappy down again (Oh move it up and down now) Slap your mammy down Slap your pappy down again, oh yeah
