

Lost

Morrissey

Jet trails in the sky
Leave one word behind
A hand bangs into sand a name
And we all understand Everybody's Lost
But they're pretending they're not

Lost

Oh, Lost

Jet trails in the sky
Leave one thought behind
A hand bangs into sand a name
And we all understand
Everybody's Lost
But they're pretending they're not

Lost

Oh, Lost

So if I see you
And I tell you
How I've watched you
I'm just Lost
So if I see you
And I tell you
I've watched you
Don't make fun of me later
Cause I'm just Lost

If I see you

And I tell you

How I've watched you
Don't make fun of me later
Cause I'm just Lost

If I see you

And I tell you

How I've watched you
Don't make fun of me later
Cause I'm just Lost

Lost Lost Lost Lost Lost Lost
