

# 88 (feat. Jadakiss)

## Diggy

88 88 88 88

You know they gon' say what diggy know 'bout 88  
Well I know this much they made a lotta money back then  
and that's what mine lookin' like Aye little its diggy got the key to the city  
Check my family tree you know my uncle taught diddy  
Who turned around and taught biggy and biggy taught jigga  
So u can just imagine what he teaching me n\*\*\*a  
My top down in the winter my door up in the summer i pulled up to the light and drove off with  
a number 88 is the number like michel ervin no presevering my hugur know they like were did  
he come from i got two years in and a couple month
