## Hero of War

## **Rise Against**

He said "Son, have you seen the world? Well, what would you say if I said that you could? Just carry this gun and you'll even get paid." I said "That sounds pretty good."Black leather boots Spit-shined so bright They cut off my hair but it looked alright We marched and we sang We all became friends As we learned how to fight A hero of war Yeah that's what I'll be And when I come home They'll be damn proud of me I'll carry this flag To the grave if I must 'Cause it's a flag that I love And a flag that I trustI kicked in the door I yelled my commands The children, they cried But I got my man We took him away A bag over his face From his family and his friends They took off his clothes They pissed in his hands I told them to stop But then I joined in We beat him with guns And batons not just once But again and againA hero of war Yeah that's what I'll be And when I come home They'll be damn proud of me I'll carry this flag To the grave if I must 'Cause it's a flag that I love And a flag that I trustShe walked through bullets and haze I asked her to stop I begged her to stay But she pressed on

> So I lifted my gun And I fired away

And the shells jumped through the smoke
And into the sand
That the blood now had soaked
She collapsed with a flag in her hand
A flag white as snowA hero of war
Is that what they see
Just medals and scars
So damn proud of me
And I brought home that flag
Now it gathers dust
But it's a flag that I love

It's the only flag I trustHe said, "Son, have you seen the world?

Well what would you say, if I said that you could?"
