

# Love's Awake Inside

Gary Wright

Oh Abraham would raise his hands and mourn this very day  
For his children left the promised land  
In search of their own way  
They kick and scream like wayward sons  
Always wating to sleep  
And dream away these evil day 'n hopes that God can't see  
There are chains upon your children lord, chains upon your children  
Do you hear the lion roae?  
Awake O' sleeper  
Your suffering will come again and never fall away  
For we trade our many conforts lime the one who bled for grace  
There will come a day, my God will come and put me in my place  
My God I pray you'll call my name instead of turn away  
There are chains upon your children lord, chains upon your children  
Do you hear the lion roar?  
Awake O' sleeper  
Let no man bring me harm  
I bear the marks of Jesus  
Let no man bring me harm  
I bear the marks of the lord  
'Said let no man bring me harm  
I bear the marks of Jesus  
Let no man bring me harm  
'cause I bear the marks of God!  
Do you hear the lion roar?  
Awake O' sleeper  
Stand with me we'll fight the war  
Awake O' sleeper  
Do you hear the lion roar?  
Awake O' sleeper  
Stand with me we'll fight the war  
Awake O' sleeper
